Circuit Court.

The third week of the fall term of Circuit Court began Monday. The case of the American Laundry Company vs. Pentecost & Peebles was taken up yesterday. The suit is for money alleged to be due on a boiler purchased for use in the Gilmer Laundry, the defendants claiming that said boiler did not come up to representations made by the people who sold it. Messrs. Pentecost & Peebles are represented by Mr. Z. P. Landrum and the American Laundry Machinery Company by Messrs. Orr & Harrison. The trial of the case was in progress when court adjourned yesterday afternoon.

The following are the juries for the present week:

The Cotton Market.

Mr. J. D. Hayward, Jr., reported a tame and lifeless cotton market yesterday as compared with the excitement caused by the Government crop report, which was received the previous day. Mr. Hayward believes that cotton will go to fifteen cents, and advises the farmers to hold out for that price. At the close of business yesterday New York spots were quoted at 12.35, January futures in New York at 12, New Orleans spots at 12, January futures in New Orleans at 12.20. [In the local market good middling was quoted at 11 5-8.

Remarkable Cure.

"I was much afflicted with sciatica," writes Ed. C. Nud, Iowaville, Sedgewick Co. Kan., "going about on crutches and suffering a great deal of pain. I was induced to try Ballard's Snow Liniment, which relieved me."

I used three 50c bottles. It is the greatest liniment I ever used; have recommended it to a number of persons; all express themselves as being benefited by it. I now walk about without crutches, able to perform a great deal of light labor on the farm." 25c, 50c and \$1.00. Sold by Johnston & Caine.

The Pauline Hall Opera Co.

A notable event in the theatrical history of this city was the appearance of the Pauline Hall Opera Company at the Columbus Theatre last night in the brilliant opera, "Dorcas." Miss Hall is recognized as one of the country's most noted operatic stars, and the fact that Miss Josephine Knapp, a Columbus girl, appeared here with the company served to lend additional interest to the occasion. Miss Knapp essayed the part of Dora, and her appearance on the stage was a signal for loud, long and continued applause. The part is one which is well suited to her capabilities, and she sang "Our Wedding Day," "The Hunt" and several other musical numbers which awakened fond recollections of the days when, as a school girl, she first charmed the people of Columbus with her wonderfully melodious voice.

"Dorcas," which is by Harry and Edward Paulton, the well-known authors of "Erminie," is a beautiful and tuneful opera, and besides Miss Hall and Miss Knapp the company contains several other artists of ability who have won recognition in New York and other large cities. Among these may be mentioned Geoffrey Stein, who appeared as Arnold, Lord Lambourne, and Miss Jennie Weathersby, who essayed the role of Griselda. The acting as well as the singing of these two artists left nothing to be desired, and the remaining members of the cast were all good in the various parts assigned them.

The production was adequately staged, and the performance, which was witnessed by a large and fashionable audience, was thoroughly enjoyed.

Coughing Spell Caused Death.

"Harry Duckwell, age 25 years, choked to death early yesterday morning at his home in the presence of his wife and child. He contracted a slight cold a few days ago and paid but little attention to it. Yesterday morning he was seized with a fit of coughing which continued for some time. His wife sent for a physician but before he could arrive, another coughing spell came on and Duckwell died from suffocation.—St. Louis Globe Democrat, Dec. 1st, 1901."

Ballard's Horehound Syrup would have saved him. 25c, 50c, and \$1.00. Sold by Johnston & Caine.

"TABLE QUEEN" FLOUR...

Awarded Gold Medal at the St. Louis World's Fair and the Buffalo Exposition.

When you buy flour you want it to make good cake and pastry as well as bread, don't you? Some brands make fairly good bread but won't make good cake. You have tried it and blamed it on your "luck," but it was all on account of the flour.

You want a flour that will let the oven-heat penetrate the dough gradually and evenly. This the common kind of flour won't do. You must use "TABLE QUEEN" if you want cake as LIGHT AS A FEATHER and pie crust that's CRISP and TOOTHsome.

"TABLE QUEEN" makes SPLENDID BREAD and BISCUIT, too. Thousands of housewives use it in ALL their baking.

Tell your grocer you want to try "TABLE QUEEN" flour. Your money back if you don't like it. But DON'T let him give you the "just-as-good" kind.

We have a little book which tells how to make fine cakes and bread that has won prizes. When you have tried "TABLE QUEEN" flour write us how you like it and we'll send you the book free.
